## DIVE DEEP INTO GOD'S WORD

*Grade K-5*

This past year was amazing, we had more youth attending activities at PLC than ever before and we are excited to see what this year has to bring. We have embraced a spirit of grace around our youth ministry and education at Paynesville Lutheran Church, and are more than ready to begin another year of youth activities.

Join us on Wednesday's for the same great experience with a new name, new lessons and so much more.

Lutheran Church

## PLC Plunge- K- 5<sup>th</sup> Grades

Welcome to **PLC Plunge**- Paynesville Lutheran Church's after school ministry for youth in **grades K-5!** We meet on Wednesday's immediately following school until 5:45pm (or 5:30pm if your child is not staying for dinner). Our Wednesday evening worship service is at 6pm and we encourage families to attend the worship service together. During PLC Plunge students have the opportunity to learn about the Bible and connect that story to their own lives; they will praise and worship through music; and we'll have some fun with large group activities. **K-5 Grade PLC Plunge** (after school) - Registration fee is **\$65** for the 2024-2025 year.

## Transportation

The church bus will be transporting students from the Eden Valley and Paynesville Elementary Schools to PLC after school. Eden Valley students are pick up right after school. Paynesville student will meet in the elementary school gym for attendance before going to the playground to wait for the bus. Look for the BIG GREEN PLC bus on Wednesdays!

## Attendance

Please call the church office **no later than 2:00pm** if your child will not be at PLC Plunge. With the amount of students who attend each week this is incredibly important. With offering busing from both schools, this helps us from having to hold the bus to make phone calls as we take the safety of your children very seriously. Please help us avoid having to make several phone calls by notifying us beforehand.

## Parent Involvement

The success of our youth programs depends on the active involvement of parents! So, we ask parents to pray for and with their child; we ask them to worship with their child on Sunday mornings and/or Wednesday nights; and we ask them to talk about their faith with their child regularly. And we could always use more help, so if you're feeling called to be a part of the youth program in any way, please let us know!

## Wednesday Dinners

Meals for students that are enrolled in the program are covered by the registration payment but, **family and parents are encouraged to join in eating dinner together for \$2 per meal. Please plan to join us!**

## Weather-Related Announcements or Cancellations

If school is cancelled or let out early because of bad weather, there will be no PLC Plunge or Seeds activities. If it is early enough in the day to make such a determination, we will have Paynesville and Eden Valley schools make an announcement to students. If weather turns bad after school has been dismissed, and we need to cancel classes or activities, we will:

- Post on the PLC Website and Facebook page.
- Place a cancellation message on the church's voicemail;
- Send you a text via "Remind"
